

# Superflex Headbands!

- Put on a headband.
- The teacher or another member of your group chooses a picture of an Unthinkable to put in your headband.
- Roll a die and ask the question that corresponds to that number below.
- Look at a member of your group, say their name to get their attention and ask them the question to gather information to figure out which Unthinkable is on your headband.
- Use all of the information you are given to make a "smart guess" about which Unthinkable is in your headband.

## Questions to Ask:

1. What is a strategy to defeat this Unthinkable?
2. What does the Unthinkable make you do?
3. Free Choice- Think of your own question to ask.
4. Does this Unthinkable work closely with other Unthinkables? Which ones?
5. Act out an example of this Unthinkable getting into someone's brain.
6. Tell me about a time this Unthinkable got into your brain.
